

ABOUT THE BOOK

"**TWOXISM**" What began as a collaboration project between two life-long friends—Maria Haro, a visual artist, and Claudia Serea, a poet—resulted in a refreshing lyricism of urban photography and poetry. *Twoxism* is a work that finds beauty in unexpected places and sees the mundane with redemptive eyes. A city love story, tender and gritty at the same time, *Twoxism*, an invented word for all things two, is about love, life, friendship, and relationships.
