## ABOUT THE BOOK

### “WAR OF NONEXISTENT WOMEN & OTHER STORIES”

‘Nonexistence’ represents the paradox at the pinnacle of the human mind, of evolved intelligence: the ability to conceive of something that is not real and does not exist. The word itself is a tribute to imagination.

“...a poet’s sense of language and a painter’s sense of scene, offering a clear-eyed interpretation of today’s realities...”

- MICHAEL MOORCOCK, author of “Breakfast in the Ruins” on Unfictions

“Unfictions is a remarkable achievement and issues a profound challenge to the literary landscape of today.”

- The Antigian Review
